

Application Privacy Policy

The Class Super application (Application) is operated by Class Super Pty Ltd (Class Super) on behalf of its clients and partners. Our commitment to protecting your privacy is paramount. Our policy applies to this application and governs data collection and usage. By using this application, you consent to the data practices described in this statement.

Personal Information

Class Super encourages you to review the privacy statements of Web sites you choose to link to from so that you can understand how those Web sites collect, use and share your information. Class Super is not responsible for the privacy statements or other content on Web sites outside of the application or Class Super web sites.

Class Super collects and uses your personal information to operate the Applications and Web sites and deliver the services you have requested. Class Super may use your personally identifiable information to inform you of other products or services available from Class Super, its clients and its affiliates.

Class Super does not sell, rent, lease or make available its customer lists to third parties. Class Super may, from time to time, contact you on behalf of business partners or clients about products or services that may be of interest to you. Class Super does not collect or disclose sensitive personal information, such as race, religion, or political affiliations.

Class Super may keep track of the pages you visit, in order to determine what products or services are of interest to our customers and users. This data is used to improve our service offering and to deliver relevant and customised content which may include advertising to customers whose behaviour indicates that they are interested in a particular subject area.

Class Super will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Class Super or ; (b) protect and defend the rights or property of Class Super; and, (c) act under exigent circumstances to protect the personal safety of users of Class Super its clients, or the public.

Where registration is provided, upon logon to Class Super or its clients, you have the right to access and modify your personal data entered as part of the Class Super registration process. You have the right and obligation to seek access to the personal information held about you and to advise Class Super of any inaccuracy. There are some exceptions to this right set out in the Privacy Act. If you make an access request, Class Super will ask you to verify your identity and specify what information you require on behalf of Class Super or its clients. Class Super may charge a fee to cover the costs of meeting your request.

Cookies

The application may use "cookies" to help you personalise to your requirements. A cookie is a text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you and can only be read by a web server in the domain that issued the cookie to you. Please seek further information if you do not understand the use of "cookies". One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the server that you have returned to a specific page. For example, if you personalise Class Super pages or register with Class Super, a cookie helps the application to recall your specific information on subsequent visits. This simplifies the process

of recording your personal information. You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you will not be able to use any subscriber services offered by Class Super.

Security

Users of this application should be aware that there are inherent risks transmitting information across the Internet. Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. While Class Super strives to protect your personal information from misuse, loss and unauthorised access, we cannot guarantee the security of any information you transmit to us or receive from us or any other related or un-related site. Class Super takes reasonable steps to ensure that your personal information is stored securely. Your personal information is only available to persons which require access in the cause of performing their duties. If you have registered with Class Super or its client/s, you have accepted the Terms and Conditions of Class Super and its clients or related parties.

Changes

Class Super may update this Statement of Privacy at any time to reflect company and customer feedback to improve services provided. Class Super encourages you to periodically review this statement.

Contact

Class Super welcomes your comments regarding this Statement of Privacy. If you believe that Class Super has not adhered to this Statement, please contact Class Super to promptly determine and remedy the problem using reasonable effort.

Further Information

You can obtain further *general information* about privacy protection from the Office of the Federal Privacy Commissioner at <http://www.privacy.gov.au/>

Links

The application may contain links to other web sites, whether owned or controlled by Class Super affiliates or unrelated third parties. Please note that the privacy policies of these sites may differ from those of Class Super. Class Super is not responsible for the privacy policies and practices of any linked web site. We encourage you to read the privacy statement of any web site you may visit.

Choice

Users may "opt-in" or "opt-out" to receive notifications, newsletters or other information via email from Class Super. Users may remove themselves from such services at their discretion. Any email sent will include directions on how a user may remove himself or herself from the list, or a URL where the user may find such directions.

Access

When technically feasible, users are permitted to update their personal information directly through Class Super Service. When such updating service is not technically feasible, Class Super will make reasonable efforts to assist users in updating their personal information.

Security

To secure site integrity, Class Super employs measures including but not limited to security audits, use of encryption tools and software, and other reasonable security measures and procedures. Internal access to users' private and non-public personal information is restricted to site administrators and individuals on a need-to-know basis. Class Super uses security procedures and the latest technologies to protect information. Access to and use of personal information is appropriately limited to prevent misuse or unlawful disclosure of the information. If other organisations provide support services, it is a requirement that they appropriately safeguard the privacy of the information provided to them.

Enforcement

In the event that Class Super becomes aware that security is compromised or user non-public information has been disclosed to unrelated third parties as a result of external activity, including but not limited to external security attacks, Class Super shall take reasonable measures which it deems appropriate, including but not limited to internal investigation and reporting, and notification to and cooperation with law enforcement authorities, notwithstanding other provisions of this Privacy Statement.

If Class Super becomes aware that a user's personal information provided to Class Super has been disclosed in a manner not permitted by this Privacy Statement, Class Super shall make reasonable efforts to notify the affected user, as soon as reasonably possible and as permitted by law, of what information has been disclosed, to the extent that Class Super knows this information.

Guarantees

While this Privacy Statement expresses Class Super's standards for maintenance of private data, Class Super does not guarantee that the standards will always be met. There may be factors beyond our control that may result in disclosure of data. As a consequence, Class Super disclaims any warranties or representations relating to maintenance or non-disclosure of private information.

Advertising

Ads appearing on the application may be delivered to visitors by Third Parties. In the course of serving advertisements to the application, third parties may place or recognise a unique cookie on a user's browser. Information about users' visits to Class Super, such as the number of times users have viewed an ad, are used to serve ads to visitors. As with other cookies and consistent with Class Super's policy on cookies stated above, the user may block or delete such cookies from the user's drive or memory.

Working Online

If you use the application to browse, read or download information, our system may log these movements. These logs do not identify you personally and we make no attempt to link them with the individuals who browse the site. Your personal account information is password protected and we recommend you do not divulge your user name or password to anyone. To further protect your personal information, if you are logged in, we may automatically log you out after a certain period of inactivity. We cannot guarantee or accept responsibility for the privacy practices or the content of web sites to which we provide links.
